

APPENDIX E

**Airport Light Industrial Plan
L&M Engineering Limited**

NEWSPAPER ADVERTISEMENT

Public Meeting for the Airport Light Industrial Plan
For Lands West of the Prince George Airport will be held
at the Coast Inn of the North, 770 Brunswick, Summit Room
July 3, 2008 between 7 & 9pm.

L&M Engineering Limited is in the process of creating an Airport Light Industrial Plan for the lands west of the Prince George Airport. The area is bounded by the Prince George Airport to the east, Highway 16 to the north, and Highway 97 to the south and west. The Plan covers approx 1200 ha of land and is ideally situated to take advantage of the expansion of the Prince George Airport, as well as the development of Prince George as an intermodal centre. The public meeting is an opportunity for interested members of the public to review the proposed Airport Light Industrial Plan and provide input into the planning process. The entire first draft of the Airport Light Industrial Plan is available online at <http://www.city.pg.bc.ca/> and <http://www.lmengineering.bc.ca/>
For more information regarding the planning process, please contact Heather Oland, Director of Planning with L&M Engineering Limited at 562-1977, or Dan Milburn, Manager of Long Range Planning for the City of Prince George at 561-7614.
