Dear Mr Warner,

Subject: Support during the 2017 Wildfires

On behalf of the Thompson-Nicola Regional District Board of Directors, please accept and pass on our sincere thanks to the Prince George ESS team for the support provided during this summer's unprecedented wildfires.

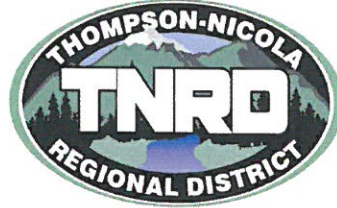

While over 10,000 evacuees registered for services in Kamloops I understand that many other evacuees, including those from the TNRD, travelled to Prince George to access services. Your team's willingness to support residents from neighbouring jurisdictions is greatly appreciated.

True community spirit is never more evident than in times of adversity. The services provided by the City of Prince George and the ESS volunteers are an example of compassion, kindness and generosity in times of need.

Once again, thank you.

Yours truly

John Ranta, Chair
Thompson-Nicola Regional District
