

NOTICE OF MOTION

Date: August 14, 2018
To: Mayor and Council
From: Councillor Brian Skakun
Subject: Illegal Dumping
Attachment: None

RECOMMENDATION:

That Council direct Administration to ask the Regional District of Fraser-Fort George to work with the City on the issue of illegal dumping and report back on a strategy to help mitigate illegal dumping within the City and Regional District areas.

DISCUSSION:

Illegal dumping has negative effects on natural areas and to the overall cleanliness of our community. There have been reports of illegal dumping within the City of Prince George specifically in areas surrounding Foothills and Tyner boulevards.

The Regional District of Fraser-Fort George (RDFFG) faces the same challenges. As such, I am requesting that Administration work with RDFFG, including key stakeholders such as Spruce City Wildlife Association, and report back to Council with a plan to address illegal dumping in the city.

Respectfully submitted,

Councillor Brian Skakun
