Dear Mayor Hall and Councillors:

As Minister of Municipal Affairs and Housing, I would like to extend my sincere thanks to your delegation for meeting with me, together with Jacqueline Dawes, Deputy Minister, and ministry staff at the 2018 UBCM Convention. I truly appreciate and value these meetings with community delegates to learn more about the successes and challenges facing your community.

You may also have had meetings with my Cabinet colleagues. The information gathered during these conversations is invaluable to our government as we continue to work together to make life better for everyone in British Columbia. This means working hard to make life more affordable, to improve the services you count on and to build a strong, sustainable economy. The problems facing British Columbians did not appear overnight and they will not be fixed overnight, but by learning about your communities and the challenges you face, we are setting the stage to keep working together on the issues that matter.

A follow-up letter will be prepared and sent in October to capture the content of our specific meeting and to provide additional information for items discussed that required further action. I trust this will be helpful for your council/board as they form once the local elections are completed on October 20th.

I hope you agree that it was a very productive UBCM Convention. Again, I thank you for taking the opportunity to meet with ministry staff and me, and I look forward to continuing our partnership, based on communication, collaboration and cooperation, in the following year.

Sincerely,

Selina Robinson
Minister
