PEOPLE CONNECTING PEOPLE

WHO WE ARE

Connect PG is a volunteer-led program which provides new residents to Prince George with social connections within this community.

Our mission

To help new people start building their network in Prince George. Connectpg is a disciplined, Strength-based approach to helping build community.

Our vision

To build a stronger, more connected community where people feel welcomed no matter what place they come from.

Our Strengths

Our Leadership Team and our Dedicated Volunteer Community Connectors.

OUR TEAM

What is a Community Connector?

A volunteer willing to share their passion for our community to help new residents start building a pathway of success in Prince George.

*New Resident: Someone from other parts of Canada or around the world.

What should I do as a Community Connector?

Share your interests with a new resident of Prince George.

Time commitment: Less than 12 hours per year.

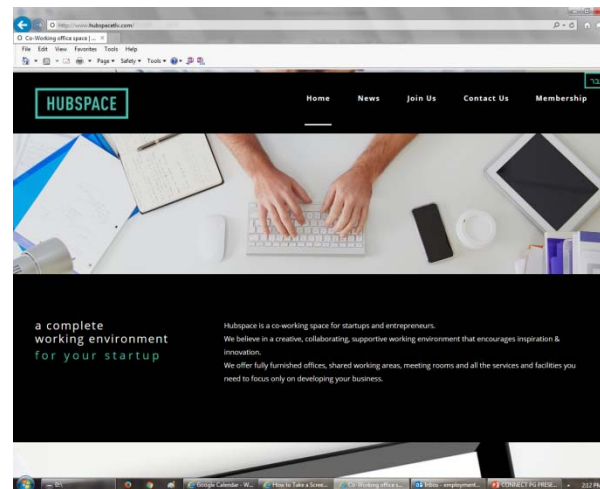

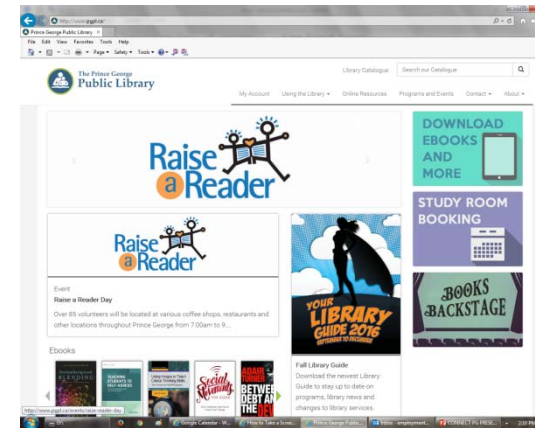

In that time we will:

- Provide connections for up to 3 new residents each year based on mutual interests.
- This means sharing up to 9 people/businesses/organizations in your network.

What are some of the interests or hobbies you can share?

- Business networking
