Re: Special Beauty Parlor & Day Spa
Liquor Primary License Application/Letter of Intent

With reference to the above, Special Beauty & Day Spa provides and exceptional full Spa experience to all our clients. Our primary focus is providing pedicure, manicure, nails, waxing and hair salon services to a wide spectrum of clientele.

Liquor will not be our primary focus, but will compliment the day spa experience. The spa is open for business seven days a week. I propose liquor service from 10 am to 11 pm Monday through Sunday inclusive. Liquor service will be available during this time frame and business will not shift from spa services to liquor service solely at any set time of the day. No entertainment is proposed at this point in the business plan.

The spa does not have a kitchen facility. Food will be available upon request via a catering company and may include hot and cold snacks, non alcoholic beverages will be available during all hours of business.

The immediate neighborhood is primarily commercial. There is no residential housing in the immediate area.

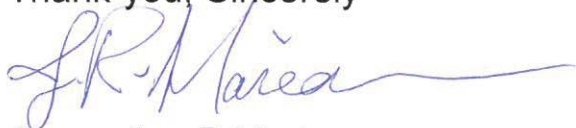

The business caters primarily to women the potential for noise or disturbances is not anticipated.

Liquor service will adhere to the Liquor Primary Terms and Conditions Licensee Guide manual. Staff and management will serve liquor in a responsible manner

all will have Serving it Right Certificates. No disturbances are anticipated by the business or patrons which might impact the surrounding area.

It is requested that a minors endorsement be permitted. This will allow a mother daughter couple to enjoy the full spa experience.

Thank-you, Sincerely
