ELECTOR RESPONSE FORM – ALTERNATIVE APPROVAL PROCESS

The municipal council may proceed with the adoption of **Equipment Financing Bylaw No. 9007, 2019**, unless five thousand, five hundred and forty six (5,546) electors submit a completed copy of this elector response form to the City of Prince George by the deadline established. **A person may not sign more than one elector response form in relation to this alternative approval process.** Additional information can be found on page 2 of this form about the subject of this alternative approval process as well as the elector qualifications.

Additional information about Equipment Financing Bylaw No. 9007, 2019:

The annual replacement and addition of vehicles and capital equipment are financed through the MFA Equipment Financing Program. Through these loan agreements, the City retains ownership of the asset and is charged a low variable interest rate based on the Canadian Dealer Offered Rate with fixed payment schedules. The MFA Equipment Financing Program has no fees to set up or discharge leases, no taxes on payments, and no penalties or fees for paying out early or making extra principal payments. The interest rate on the Equipment Financing Program as of the February 14, 2019 is 2.60%. All loan agreements will be for a term no longer than ten (10) years to match the expected service life of the new mobile equipment.

The approved projects from the 2019 – 2023 Capital Plan that will be part of the Equipment Financing program request include:

Capital Plan Project #	Project	Project Description	Cost of Project
#0431	Mobile Equipment Replacement	Annual replacement of vehicles currently part of the City fleet	\$1,978,833
#3247	Bylaw Compliance Officer Truck	Purchase one light fleet vehicle (1/2 ton pickup with canopy) for the two new permanent Bylaw Compliance Officer positions	\$ 55,000
#3208	Janitorial Equip-Replace Floor Scrubbers	Implement an annual equipment replacement program to enhance healthy, safe, and clean facilities	\$ 99,750
#3213	Fire Services Breathing Apparatus Replacement	Replace the entire inventory of self contained breathing apparatus (SCBA) and Rapid Intervention Team (RIT) packs, which are used to provide clean breathing air while crews are in an oxygen deficient or contaminated air environment. The current inventory has reached the end of its useful life expectancy. This request is to purchase 75 SCBA and 8 RIT packs over the course of a three period. 30 SCBA and 8 RIT packs in 2019; 30 SCBA in 2020; and the remaining 15 SCBA in 2021	\$ 671,000
#3230	Road Foreman Fleet Trucks	Purchase two new 1/2 ton, 4x4 crew cab pickups required for Roads foreman use. These pickups will be used by foremen for service request inspections, crew inspections, and review of safety and traffic control setups and will be equipped with arrow boards and headache racks for daily operational needs.	\$ 115,000
			\$2,919,583

Additional information about Masich Stadium Amenities Refurbish Loan Authorization Bylaw No. 9011, 2019:

This project is to replace and add outdoor site amenities and services at Masich Place Stadium to accommodate the 2022 BC Summer Games and ongoing use. This multi-year improvement program includes upgraded field lighting, a replacement of the score clock and PA system, and new pathway lighting, electrical kiosks, fibre optic connection, irrigation, bleachers, and site furnishings to support visitor services at the stadium. In 2017/2018, Masich Place Stadium received a reinvestment of over \$4.5 million with a new synthetic turf infield, resurfaced track, and new track and field infrastructure, as well as upgrades to the grandstand with exterior painting, lighting, and accessible infrastructure. The stadium was originally developed in 1990 to host the BC Summer Games and has been redeveloped as a multi-sport venue capable of hosting regional, provincial, and national championships with a CFL and FIFA regulation size infield, as well as IAAF track and field facilities. The addition of a synthetic turf infield will significantly increase annual field bookings 2.5x with ongoing use by UNBC soccer, high school football, and other community user groups. This project's improvements to existing site infrastructure and addition of new amenities and site services are required to support Masich Place Stadium's use as a premier venue for regional training and competitions, in addition to providing ongoing public use through the popular daily walking/exercise program.

Additional information about Critical Street Light and Traffic Signal Replacement Loan Authorization Bylaw No. 9017, 2019:

This project is to Rehabilitate and replace aging street light and traffic signal infrastructure. Many City street lights and traffic signals were installed in the 1970's and are past the end of their service life. The original installation of these lights is no longer compliant with City standards or electrical code practices. According to current estimates, approximately 2,500 lights are currently past their expected life. This program will target the most critical street lights and traffic signals, which represents approximately 600 items.
