

Dear Mayor and Councillors,

This letter is in support of the rezoning application of the proposed Shire Green cannabis retail store at 484 Douglas Street. I understand a rezoning from C1 to C1c is required for this store to operate, and equally support a temporary use permit for C1c Cannabis Retail at this location.

It's my belief that this application will not have a negative impact on the surrounding community.

Shire Green has represented to us that they will create a safe secure place where customers can legally purchase Cannabis and properly be educated on the products and safe consumption. I believe the incremental commerce in this community will have positive impacts to surrounding businesses.

Shire Green has invited me to a soft opening to not only meet their team, but also review their operational commitments to security, customer service, social responsibility and product knowledge.

Please consider this letter and my signature as my support for the application for Shire Green to be a welcome addition to our commercial neighbourhood.
