PRINCE GEORGE

JOB DESCRIPTION

JOB TITLE: EQUIPMENT OPERATOR 2 **SCHEDULE:** A
DIVISION: VARIOUS **PAYGRADE:**
DEPARTMENT: CIVIC OPERATIONS

JOB SUMMARY:

Responsible for semi skilled work in the operation and minor servicing of medium sized equipment such as the skid steer, fork lift, compactors over 6,804 kg, ridden mowers of over 2.13m swath, small plow truck with sander (exceeding 18,200 kg) and sidewalk snow plowing equipment with trailer. Work is carried out under supervision with the operator responsible for carrying out assignments relatively independently after receiving instructions from a supervisor. Operators may work as part of a crew under closer supervision. Work is evaluated in terms of safe and efficient operation of equipment and attainment of desired objectives. The work of this class is distinguished from that of Equipment Operator I by the greater difficulty and responsibility entailed in operating heavier and more complex equipment.

MAJOR RESPONSIBILITIES:

Under the general supervision of a Supervisor:

- Operates equipment in a safe and efficient manner.
- Performs routine inspection, maintenance and lubrication.
- Uses hand tools for routine maintenance and changing of attachments.
- Reports equipment problems requiring mechanical servicing.
- Operates medium sized equipment such as the front bucket bobcat, fork lift, compactors over 6,804 kg, small crawler tractors (D 2/3 equivalent), ridden mowers of over 2.13m swath, tailgate paver, small plow truck with sander over 18,200 kg and sidewalk snow plowing equipment with trailer
- Reports equipment problems requiring mechanical servicing.
- Performs related duties.

QUALIFICATIONS:

Education:

Completion of Grade 12 education or G.E.D. Valid BC Driver's License - Class 5.

Experience:

Sufficient experience such that the operator is fully capable of operating the equipment specified in the vacancy in a safe and efficient manner.

Knowledge & Skills:

Ability to work safely and a working knowledge of the safe operating and maintenance practices and procedures related to the machinery. The ability to understand and effectively carry out oral and written instructions. Reasonable knowledge of City street layout and departmental operations. Ability to exercise considerable independence of judgement and action in the operation of the equipment. Skill in accomplishing a variety of equipment operating, equipment maintenance and road maintenance tasks within fairly wide limits of accuracy, requiring a good level of coordination and dexterity. Ability to deal courteously, tactfully, and diplomatically with other mMunicipal employees and members of the general public. Knowledge of WorkSafe BC regulations, occupational hazards and safe work procedures as it relates to the position, including but not limited to: bullying and harassment, working alone and other significant hazards.

Valid BC Driver's license: Yes – Valid BC driver's license, Class 5 full privilege.
Vehicle Usage: Yes – City owned vehicles.
Police Information Check: No.
Baseline Hearing Test: Yes
