

Proclamation

YMCA STRONG KIDS MONTH

- Whereas:** the YMCA of Northern BC has been building strong kids and strong families for over 50 years; and
- Whereas:** supported by over 100 staff and 300 volunteers, YMCA programs address the changing needs of communities across northern BC; and
- Whereas:** the YMCA engages, connects and improves the lives of the individuals and families they serve with progressive and inclusive services; and
- Whereas:** rooted in over 1,000 communities around the country, the YMCA has the long-standing relationships and physical presence not just to promise but to deliver lasting personal and social change; and
- Whereas:** though the world may be unpredictable, one thing remains certain – the YMCA is, and always will be, dedicated to building healthy, confident secure and connected children and youth, families and communities.

Now therefore, as Mayor of the City of Prince George,
I proclaim **February 15 – March 15, 2021** as:
“YMCA Strong Kids Month”
in the City of Prince George.
