## DAFFODIL CAMPAIGN April 2019

- Whereas:** people in our community have been directly affected by cancer and share a strong bond with others who experience the pain on this disease; and
- Whereas:** the Canadian Cancer Society is proud to be a champion and voice for Canadians who care about cancer, and is committed to supporting and engaging people in our community; and
- Whereas:** through the Daffodil Campaign, funds are raised to fund ground-breaking research and support services which help people impacted by cancer live their lives more fully; and
- Whereas:** approximately 350 Canadian Cancer Society volunteers in Prince George, and local donors, are part of a collective of people united by the same goals, helping people live longer and improving the lives and experiences of those affected by cancer; and
- Whereas:** the daffodil is the symbol of strength courage and life for those living with cancer and for local people to rally around by volunteering and/or donating and wearing a daffodil pin proudly.

Now therefore, as Mayor of the City of Prince George,  
I proclaim that the month of April 2019 be observed as:  
"THE DAFFODIL CAMPAIGN"  
in the City of Prince George.
