

Proclamation

MELANOMA AWARENESS MONTH May 2020

- Whereas:** it is imperative that communities across Canada be reminded of the importance of sun safety; and
- Whereas:** over-exposure to UV radiation is one of the major causes of melanoma and non-melanoma skin cancers; and
- Whereas:** skin cancer is the most common of all cancers (1 in 6 Canadians born in the 1990s will have skin cancer in their lifetimes); and
- Whereas:** many people seek sun without taking the advisable precautionary measures and are unaware that any darkening of skin colour, including a tan, is indicative of UV damage; and
- Whereas:** skin self-examinations should be performed on a monthly basis because skin cancers are highly treatable when detected early; and
- Whereas:** Save Your Skin Foundation is dedicated to the fight against non-melanoma skin cancers, melanoma and ocular melanoma through nationwide education, advocacy and awareness initiatives.

Now therefore, as Mayor of the City of Prince George,
I proclaim that the month of **May 2020**
be observed as:

“Melanoma Awareness Month”
in the City of Prince George.
