

The Celebrate Prince George Community Grant was developed to financially support and assist in the growth and development of new and existing events to create a city brimming with excitement. The objective of the Celebrate Prince George Community Grant is to enhance current events or develop new events that increase community pride and focus on attracting visitors.

The program is under review and may lead to program changes in 2022. As such, we are only accepting applications for a one-year term and not multi-year.

Funding:

There are two funding categories:
