**CITY OF PRINCE GEORGE
SIGN BYLAW NO. 7202, 2001**

A BYLAW TO REGULATE SIGNS

WHEREAS the City of Prince George may by Bylaw regulate and prohibit signs;

NOW THEREFORE the Council of the City of Prince George, enacts as follows:

**Amending
Bylaw**

1. TITLE

- 1.1 This Bylaw may be referred to as “City of Prince George Sign Bylaw No. 7202, 2001”.

2. REPEAL

- 2.1 “City of Prince George Sign Bylaw No. 3198, 1978” and all amending Bylaws thereto are hereby repealed.

3. PURPOSE

- 3.1 The purpose of these Sign regulations is to:
- 3.1.a. encourage the effective and efficient use of Signs as a means of communication in the city;
 - 3.1.b. maintain and enhance the city’s aesthetic environment, the city’s resident’s quality of life, and the city’s ability to attract sources of economic development and growth;
 - 3.1.c. provide pedestrian and vehicle traffic safety;
 - 3.1.d. prevent hazardous situations, injury to Persons, and damage to property;
 - 3.1.e. minimize the possible adverse effects of Signs on nearby public and private property; and
 - 3.1.f. enable the fair and consistent enforcement of these Sign restrictions.

4. DEFINITIONS

8880, 2017 4.1 Any term not defined shall be interpreted in accordance with the current edition of the Concise Oxford Dictionary. In this Bylaw:

7862, 2007 **“Accessory Building”** means a building or structure detached from a principal building, customarily incidental, subordinate and on the same site as the principal building or use. Where a building is attached to the principal building by each, and every one of the following:

- i. a common wall having heated functional living space on each side,
 - ii. common roof, and
 - iii. common foundation,
- it shall be deemed part of the principal building.

“Animated Sign” means any Sign on which movement or change of lighting is used to depict action or create a special effect, and any Sign on which the message changes more than 24 times in a 24 hour period, but excludes digital time or temperature display.

7862, 2007 **“Authorized Person”** means the person appointed by Council as head of the Development Services Department, or a person designated in writing by the head of the Development Services Department to carry out any act or function under this bylaw.

“Balloon Sign” means an inflated, three-dimensional device, intended to attract the attention of Persons to a business or undertaking.

“Banner Sign” means a Sign made up of lightweight fabric or other similar material, which can be hung from a building face or on a Structure.

“Beacon” means any light with one or more beams directed into the atmosphere or directed at one or more points not on the same Site as the light source and any light with one or more beams that rotate or move.

“Bench, Telephone Booth, and Bus Shelter Sign,” means Signs on bus stop benches, bus stop shelters, telephone booths, or waste receptacles located upon a road right of way authorized by the City or the authority providing the telecommunication or transit service.

“Building Marker” means any Sign indicating the name and date of a building and incidental information about its construction, but excludes a Commercial Message.

“Building Sign” means any Sign attached to a building, as opposed to a Freestanding Sign.

7862, 2007 **“Bylaw Enforcement Officer”** means an officer or employee of the City who has responsibility for inspection and enforcement relating to bylaw compliance.

“Canopy” means a shelter which extends from the exterior of a building, and includes an awning.

“Canopy Sign” means any Sign that is attached to or part of a canopy, or other protective cover over a door, entrance, window, or outdoor service area.

“Changeable Copy Sign” means a Sign or portion of a Sign with letters, characters, or illustrations which can be rearranged without altering the face or surface of the Sign.

“City” means the City of Prince George.

“City Public Land” means any road right of way, or land owned or occupied by the City of Prince George or any agency of the City, but excludes lands held by private interests pursuant to a land lease granted by the City.

“Commercial Message” means any wording, logo, or other representation that, directly or indirectly, names, advertises, or calls attention to a business, product, service, or other commercial activity.

“Construction Sign” means a Sign indicating that a building project on the same property on which the Sign is located is about to be undertaken, or is currently in progress.

“Community Event Sign” means any Sign advertising an activity sponsored by a registered non-profit corporation or Government organization erected on a road right of way.

“Council” means the Council of the City of Prince George.

“District Identification Sign” means a Freestanding Sign forming an entrance display for the identification of a residential neighborhood, industrial park or commercial area.

“Facia Sign” means a Sign that displays only one Sign surface and is:

- attached parallel to, but within 0.3m (1 ft) of; or
- painted on the surface of; and
- does not extend beyond the limits of

the exterior wall of any building or Structure, and is supported by such wall, building, or Structure.

“Flag” means any single piece of hanging fabric or Banner Sign containing the colors, patterns, or symbols of a government, political party, or other entity and contains no Commercial Message and is not larger than 2 m² (21.5 ft²).

“Flashing Sign” means any Sign on which a regular or repetitive change of intensity of illumination occurs.

“Freestanding Sign” means any Sign supported by Structures or supports that are placed on, or anchored in, the ground and that are structurally independent from any building or other Structure.

“Incidental Sign” means a Sign, generally informational, that has a functional purpose incidental to the use of the Site on which it is located, and conveys information such as “no parking,” “entrance,” “loading only,” “telephone,” and other similar directives such as the building address. Signs warning of an imminent physical hazard or danger, and Signs prohibiting trespass shall be considered Incidental Signs. No Sign with a Commercial Message shall be considered an Incidental Sign. No Sign with an area of over 1.5 m² (16 ft²) shall be considered an Incidental Sign.

“Lot” means any piece or parcel of land with a legal boundary created by subdivision and registered at the land title office.

“Marquee Sign” means a Sign suspended beneath a canopy or awning, or other horizontal surface and supported by that Structure, and is oriented to be visible to pedestrian traffic.

“Pennant Signs” means any lightweight plastic, fabric, or other material, whether or not containing a message of any kind, suspended from a rope, wire, string, usually in a series, and usually designed to move in the wind.

“Person” means any individual, association, company, corporation, firm, organization, or partnership singular or plural, of any kind.

“Portable Sign” means any Sign not attached to the ground or other permanent Structure, or a Sign designed to be transported, including, but not limited to, Signs designed to be transported by means of wheels

7862, 2007 **“Principal Building”** means a building that accommodates the principal use of the site on which it is located.

7862, 2007 **“Principal Use”** means the main or primary activity for which a site or its buildings are designed, arranged, developed or intended, or for which it is occupied or maintained, in accordance with the City of Prince George Zoning Bylaw No. 7850, 2007

“Projecting Sign” means a Sign other than a Canopy Sign which is attached to a building or wall in such a manner that its leading edge extends more than 0.3 m (1 ft) beyond the surface of the wall or building to which it is attached.

7862, 2007 **“Qualified Professional”** means a professional engineer, geoscientist, architect, biologist, planner or other professional with experience relevant to the applicable matter, as determined by the Authorized Person.

“Real Estate Sign” means a Sign indicating that the real property on which it is located is for sale or lease.

“Residential Sign” means any Sign located in a district zoned for residential use that contains no Commercial Message except advertising for goods and services offered on the premises where the Sign is located, if offering such service at such locations conforms with all requirements of the Zoning Bylaw and Business License Bylaw.

“Roof Line” means the horizontal line joining the points of intersection of the exterior wall of the building with the roof of the building. In the case of a building with a pitched roof, the Roof Line shall be at the eaves line.

7862, 2007 **“Roof Sign”** means any Sign erected and constructed wholly on and over the roof of a building, supported by the roof structure, or extending vertically above the Roof Line, except for integral roof signs. A Facia Sign extending above the Roof Line will be considered a Roof Sign.

“Roof Sign, Integral” means any Sign erected or constructed as an integral or essentially integral part of a normal roof Structure of any design, such that no part of the Sign extends vertically more than 1 m (3.3 ft) above the roofline.

“Sandwich Board Sign” means a Sign with no electrical power supply, supported only by its own weight, which is set upon the ground outside of the business it is intended to advertise, and has a maximum dimension of 0.6 m (2 ft) horizontal by 1.2 m (3.9 ft) vertical.

“Setback” means the distance from a property line, building, or other feature specified in the text of this Bylaw, to the applicable Sign measured perpendicularly.

“Sign” means any Structure, device, fixture, or visual representation that uses colour, form, graphic, illumination, symbol, or writing to advertise, announce the purpose of, or identify the purpose of a Person or entity, or to communicate information of any kind to the public.

“Site” means any Lot or number of Lots that are of sufficient area and dimension to meet minimum zoning requirements for area, coverage, and use, and any other zoning regulations regardless of the presence of internal legal boundaries, which is used for a single purpose or development.

7862, 2007 **“Street Frontage”** means the distance over which a Site shares a common boundary with a road right of way, from one Lot line intersecting that road right of way to the furthest distant Lot line intersecting that same road right of way. For the purpose of calculating Sign area, road rights of way that are equal to or less than 8 m in width shall not be considered road right of way when determining street frontage.

7862, 2007 **“Structure”** means a construction of any kind, whether fixed to, supported by or sunk into land or water or attached or affixed to any other construction and includes buildings, but excludes fences.

“Window Sign” means any Sign, picture, symbol or combination thereof, designed to communicate information about an activity, business, commodity, event, sale, or service, that is placed inside or upon the window and is visible from the exterior of the window.

5. INTERPRETATION

- 5.1 If any section, subsection clause, or phrase of this Bylaw is for any reason held to be invalid or illegal by a decision of any Court of competent jurisdiction it shall be severable. Such a decision shall not affect the validity of the remaining sections, subsections, clauses or phrases of this bylaw
- 5.2 In this Bylaw imperial measurements are given for convenience only. The metric measurement shall be considered the applicable measurement.
- 7862, 2007 5.3 Whenever references to zone include only the letters AG, AR, AF, RS, RT, RM, C, M, P, U, W or Z they shall be deemed to include all zones starting with those letters in combination with other numbers.
- 7862, 2007 5.4 Where a single parcel is located in more than one zone, pursuant to City of Prince George Zoning Bylaw No.7850, 2007, the Sign provisions of this bylaw shall be applied as if the zone boundary were a parcel boundary.
- 7862, 2007 5.5 The regulations of this bylaw are cumulative.

6. CALCULATIONS

- 6.1 **Calculating the Area of Individual Signs.** The area of a Sign with only one face is the total area forming a square, triangle, rectangle, or circle which encompasses the outer edge of the writing, representation, emblem, or other display, including any frame or border and any material or color forming an integral part of the background of the display or used to differentiate the Sign from the backdrop or Structure against which it is placed. The area of the Sign shall not include any supporting framework, bracing, or decorative fence or wall when such fence or wall otherwise meets the requirements of the Applicable Zoning Bylaw and is clearly incidental to the display itself.
- 6.2 **Calculating the Area of Multifaced Signs.** The area of a Sign with more than one face shall be calculated as in Section 6.1 except that the area of Sign shall be calculated by adding together the area of all Sign faces visible from any one point. When two Sign faces are placed back to back, so that both faces are not visible from any one point at the same time, and when such faces are part of the same Structure, the Sign area shall be the area of the larger of the 2 faces.
- 6.3 **Calculation of Height.** The height of the Sign shall be calculated as the vertical distance from the top of the highest component of the Sign, including any supporting framework or bracing, to the base of the Sign or supporting framework or bracing at the average level of finished ground adjoining a building or Sign Structure to which the Sign is attached, which average level shall exclude any vehicle or pedestrian entrances and shall be calculated without regard to the effect of any filling, berming, mounding, or excavating carried out solely for the purpose of locating the Sign.

- 6.4 **Calculation of Maximum Total Permitted Sign Area for a Site.** The maximum total permitted area of all Signs on a Site shall be calculated according to Table 2.

8215, 2009

7. PERMITS

- 7.1 **Signs Allowed on Private Property.** Signs are allowed on private property in the City in accordance with, and only in accordance with, Tables 1, 2, 3A, 3B, 3C and 4. In Table 1, if an “A” appears for a Sign type in a column, that Sign is allowed without a permit issued in accordance with this Bylaw, in the zoning district represented in that column. If the letter “P” appears for a Sign type in a column, such Sign is allowed only with prior Permit Approval in the zoning districts represented in that column. If an “N” appears for a Sign type in a column, such a Sign is not allowed in the zoning districts represented in that column under any circumstances.

- 7.1.a Although permitted under the previous paragraph, a Sign designated by an “A” or “P” in Table 1 shall be allowed only if:

- i) the Sign on the Site conforms with any limitations or restrictions listed in Section 13, and in Tables 2, 3A, 3B, 3C, and 4;
- ii) the sum of all applicable Signs including all Building and Freestanding Signs on the Site conforms with the maximum permitted Sign area as determined by the formulas for the zoning district in which the Site is located as specified in Table 2;
- iii) the size, location, number, dimensions, Setbacks and characteristics of Signs on the Site conform with the requirements of Tables 3A, 3B, 3C and 4; and,
- iv) the Sign is designed, constructed and maintained in accordance with Section 8 of this Bylaw.

7557, 2004

- 7.2 **Permit Requirements.** No Person shall commence or carry out the erection, construction, placing, structural alteration, relocation, rebuilding or enlargement of a Sign requiring a permit without first obtaining and holding a valid Permit for that work issued by the Authorized Person, pursuant to this Bylaw.

No Sign Permit of any kind shall be issued for an existing or proposed Sign unless that Sign is consistent with the requirements of this Bylaw in every respect and with the master signage plan. Sign permit applications shall be accompanied by the prescribed Permit fees set forth in Schedule “A-11(a)” of the “City of Prince George Comprehensive Fees and Charges Bylaw No. 7557, 2004”.

7.3 **Permit Process.** A permit shall be issued only in accordance with the following requirements and procedures:

9424, 2023

7.3.a. This subsection was deleted in its entirety by Bylaw No. 9424, 2023.

7.3.b. The Authorized Person may refuse to issue a Permit for any Sign:

- i) if such Sign advertises a business or use which is operating contrary to the current City of Prince George Zoning Bylaw or Business License Bylaw;
- ii) if the building or Structure to which the Sign is attached, or is to be attached, is, in the Authorized Person's opinion, not capable of supporting the Sign;
- iii) if the information submitted regarding the construction of a Structure is insufficient to enable the Authorized Person to adequately determine the capability of such Structure to give adequate support to the Sign;
- iv) where a Sign that is the subject of the application, in the opinion of the Authorized Person, interferes with the placement or use of any equipment or Structure required for any City purpose;
- v) if the application is incomplete or incorrect; or
- vi) if the Sign, or master signage plan, that is the subject of the application fails in any way to conform with the requirements of this Bylaw.

7.3.c. The Authorized Person may require, prior to the issuance of a Permit, in matters of structural stability, that all drawings and specifications or any part thereof be prepared and sealed by, and the construction carried out under the supervision of, a Professional Engineer registered in the Province of British Columbia, and the Authorized Person may refuse to issue a permit until the Authorized Person is provided with Letters of Assurance as specified by the BC Building Code.

7862, 2007

7.3.d. The Authorized Person may impose terms and conditions that must be met for obtaining or continuing to hold any Sign permit respecting the following matters:

- a) animation, illumination, or electrical interference;
- b) emission of smoke, dust, gas, sparks, soot, cinders, fumes or other effluvia;
- c) unsanitary or unsafe conditions, including the accumulation of water, deposit of mud or other debris, terrain stability, trip hazards, and maintenance of drainage works;
- d) exterior condition and appearance of the Sign;
- e) the effective period of any permit.

7.4 Master Signage Plans.

Unless exempted by the Authorized Person under Section 7.3, for any Site for which the owner proposes to erect one or more Signs requiring a permit the owner shall submit to the Authorized Person a master signage plan containing the following.

- i) An accurate plot plan of the Site, at such scale as the Authorized Person may reasonably require.
- ii) The location of buildings, parking areas, driveways, and landscaped areas on the Site.
- iii) Computation of the maximum total Sign area, the maximum area for individual Signs, the height of Signs, and the number of Freestanding Signs allowed on the Site according to this Bylaw.
- iv) An accurate indication of the proposed location of each present and proposed Sign of any type, whether requiring a permit or not, except that Incidental Signs need not be shown.

Where a Development Permit application has been made, or a Development Permit has been issued, and the Development Permit drawings adequately provide the information required on a master signage plan, a master signage plan shall not be required.

After submission of a master signage plan to the Authorized Person and the issuance of a permit for a Sign indicated on the master signage plan, no Sign shall be erected, placed, painted, or maintained, except in conformance with such plan, and such plan may be enforced in the same way as any provision of this Bylaw. In case of any conflict between the provisions of a master signage plan and this Bylaw, the Bylaw shall prevail.

8. DESIGN, CONSTRUCTION, AND MAINTENANCE.

All Signs shall be designed, constructed and maintained in accordance with the following standards:

- 8.1 All Signs shall comply with applicable provisions of the British Columbia Building Code and the British Columbia Electrical Code, and shall be maintained in good structural condition, and in compliance with these codes at all times.
- 8.2 Except for Sandwich Board Signs and Window Signs, all Signs shall be constructed of permanent and durable materials. Except for Banner Signs, Balloon Signs, Flags, Pennant Signs, Portable Signs, Real Estate Signs, and Sandwich Board Signs, all Signs shall be attached to the ground, building, or another Structure by direct attachment to a rigid frame, wall or Structure.

- 8.3 All Signs shall be maintained on a continual basis so that at no time is there any danger of personal injury or hazard to property. All Sign area, background, lighting and embellishments shall be continuously maintained so that the Sign does not exhibit wear, neglect, or damage.
- 8.4 Signs shall be built according to the following.
- 8.4.a. Except for Sandwich Board Signs, and Community Event Signs in road right of ways, all Signs shall be constructed to withstand wind loads of at least 1.2 kPa (25 psf).
- 8.4.b. Except for Marquee Signs, chains or other devices that will allow the Sign to swing due to wind action shall not be used to support Signs. Signs shall be anchored to prevent any movement that would cause wear on supporting members or connections.
- 8.4.c. All Signs extending over an area accessible by motor vehicle shall have a minimum vertical clearance of 4.5 m (14.8 ft.).
- 8.5 A parapet wall must be designed for and have sufficient strength to support any Sign attached thereto.
- 8.6 Lag bolts in solid woodwork shall not be less than 15mm in diameter and shall penetrate the woodwork at least 75 mm.
- 8.7 All cables, turn buckles, links, bolts and screws, and all devices used to support or which form a part of any Sign, shall be galvanized or non-corrosive material.
- 8.8 No Sign, guy or stay wire, or attachment thereto, shall be erected, placed or maintained by any person in such a manner as to contact or interfere with any electric, light, power or telephone wire, or their supporting structure. A distance of at least six hundred 0.6 m (2 ft.) shall be maintained between the outer edge of the Sign and any electric, light, power or telephone wire, or their supporting structure, and no Sign shall be attached to or obstruct the exit facilities of any building.
- 8.9 Where a Freestanding Sign has a height of more than 6 m, the foundation and structural support shall be designed and certified by a Professional Engineer registered in British Columbia.
- 8.10 All manufactured electrical Signs shall have the maker's name and the weight of the Sign permanently attached to, or painted on, the exterior of the Sign.
- 8.11 Every electrical Sign shall conform to the specification established by the Canadian Standards Association, ULC or equivalent Standard acceptable by Bylaw to the Authorized Person.

8880, 2017

7330, 2001

8.12 All electrical Signs shall be provided with adequate drainage by means of one or more 5mm holes.

8.13 All electrical Freestanding Signs shall be served by underground wiring.

9. SIGNS IN ROAD RIGHT OF WAYS

9.1 The following Signs only shall be allowed in a road right of way.

9.1.a. Signs erected on behalf of a government body to post legal notices, identify public property, convey public information, direct or regulate pedestrian or vehicular movement, or as related to any other legitimate government function.

9.1.b. Signs erected by a contractor or other agency doing authorized work within the road right of way.

9.1.c. Informational Signs of a public utility regarding its poles, lines, pipes, or facilities.

9.1.d. Canopy Signs, Projecting Signs, and Marquee Signs projecting over a road right of way in conformity with the conditions of this Bylaw.

9.1.e. Community Event Signs to a maximum of 8 m² (86 ft.²) in area provided that an encroachment agreement has been entered into with the City for those Signs over 1.5 m² (16 ft²) in area, in accordance with Section 9.2 of this Bylaw. Community Event Signs shall not be erected for a period exceeding thirty (30) days, and shall be removed upon completion of the event.

9.1.f. Sandwich Board Signs in the C-1 zone, provided that an Encroachment Agreement has been entered into with the City for those Signs, and provided that the Sign:

- i) shall not be placed on or over any portion of any street or roadway used for vehicular traffic;
- ii) shall not be located within 9.1 m (30 ft) of an intersection, measured from the nearest curb line of the intersecting road right of ways;
- iii) shall not create an obstruction to pedestrian traffic; and
- iv) shall not be placed on a road right of way until such time as the applicant for the Encroachment Agreement has filed with the City a satisfactory certificate of insurance to indemnify the City against any and all forms of liability to a minimum of \$1,000,000. The insurance shall be maintained in full force and effect during the term of the existence of the Sign and said insurance policy or

certificate shall provide that the City be notified of any cancellation of the insurance ten (10) days prior to the date of such cancellation;

9.2 No Person shall erect or maintain any Sign on private property which extends over any road right of way without first obtaining an encroachment agreement from the City, except that:

9.2.a. Encroachment Agreements are not required for Canopy Signs, Facia Signs, Marquee Signs, or Projecting Signs, which encroach over road right of ways provided that:

- i) the encroachment does not exceed 3m (9.8 ft);
- ii) the encroachment does not project over a lane;
- iii) the Sign does not project within 0.6 m (2 ft.) of the nearest curb;
- iv) the encroaching Sign complies with and is installed in accordance with the provisions of this Bylaw;
- v) the Sign is supported entirely from private property, and
- vi) the holder of the Sign permit has provided an executed Sign permit Waiver, Release and Indemnity to the City.

9.3 No Sign or part of a Sign shall be erected or placed in a manner which obscures or obstructs vision within 5 m (17 ft.) of the intersecting Lot lines where two road right of ways meet. In addition, no Sign shall be erected or placed which obscures or obstructs vision along a road right of way or at an intersection in a manner unacceptable to the Authorized Person.

9.4 Any Signs erected or placed on a road right of way, or other City owned property, not constructed or placed in strict compliance with the requirements of this Bylaw, shall be forfeited to the City and subject to confiscation. In addition to other remedies hereunder, the City shall have the right to recover from the owner or Person placing the Sign the full costs of removal and disposal of that Sign.

10. EXEMPTIONS

10.1 This Bylaw does not apply to the following.

10.1.a. Any public notice or warning required by a valid and applicable Court; or a Federal, Provincial, or City Bylaw, regulation, or requirement.

10.1.b. Any Sign erected or placed by the City, or erected or placed under the direction of the City, on City Public Land.

- 10.1.c. Signs located in the interior of buildings, not attached to a window, and not legible from a distance of 1 m (3.3 ft.) beyond the Site on which the Sign is located.
- 10.1.d. Works of art that do not include a Commercial Message or a political message.
- 10.1.e. Holiday lights and other decorations that contain no Commercial Message.
- 10.1.f. Bench, Telephone Booth, and Bus Shelter Signs.
- 10.1.g. Flags.
- 10.1.h. Signs on motor vehicles.
- 8880, 2017 10.1.i. Political Signs, including any Sign primarily intended to promote the activities or the cause of any political group or entity or to encourage or discourage any Person to vote in any manner at an election or public referendum, whether Federal, Provincial, Municipal or other and as regulated by “City of Prince George Election and Political Signs Bylaw No. 8867, 2017” as amended from time to time.

11. PROHIBITED SIGNS

7862, 2007
7862, 2007

The following Signs are prohibited:

- 11.1.a Any Sign not expressly permitted under this Bylaw or exempted from regulation hereunder is prohibited in the City. Such Signs include, but are not limited to Beacons, Flashing Signs, and Roof Signs.
- 7862, 2007 11.1.b Any Sign which pertains to an event or purpose which no longer applies, or advertises a business which does not have a valid Business Licence with the City, shall be deemed to be abandoned, and the Authorized Person may order the removal of the abandoned Sign by giving written notice to the property owner or Sign owner, who shall have the Sign removed within 30 days.
- 7862, 2007 11.1.c Any Sign erected or maintained on or in view of a highway that purports to be, resembles or interferes with the effectiveness of a traffic control device, unless authorized by the Authorized Person.
- 7862, 2007 11.1.d Any Sign erected or maintained on or in view of a highway or other City owned land that might affect the safety of any person who might be on or near a highway or other City owned land; or is causing or might cause the accumulation of snow, water, debris or any other potentially hazardous material on or near a highway or other City owned land; or is a nuisance that might distract the operator of a vehicle on or near a

highway or other City owned land, as determined by the Authorized Person.

7862, 2007

- 11.1.e Any Sign erected or placed on a screen or fence, except for an Incidental Sign, and in such cases the fence shall be deemed to be a structure.

7862, 2007

12. OFFENCE AND PENALTY

7862, 2007

- 12.1 Any person who violates any provision of this Bylaw, or who permits, suffers or allows any act to be done in violation of any provision of this Bylaw, or who neglects to do anything required to be done by any provision of this Bylaw, commits an offence punishable upon summary conviction and is subject to a fine not less than \$2,000 and not more than \$10,000.00, or a term of imprisonment not exceeding three months, or both.
- 12.2 Every day during which any violation, contravention or breach of this Bylaw continues shall be deemed a separate offence.
- 12.3 This Bylaw may be enforced by means of a ticket in the form prescribed for the purpose of section 264 of the *Community Charter*.
- 12.4 Pursuant to section 264(1)(b) of the *Community Charter*, Bylaw Enforcement Officers and the Authorized Person are designated to enforce this Bylaw.
- 12.5 Pursuant to section 264(1)(c) of the *Community Charter*, the words or expression in Column 1 of Section 12.8 to this Bylaw designate the offence committed under the Bylaw section number appearing in Column 2 opposite the respective words or expression.
- 12.6 Pursuant to section 265(1)(a) of the *Community Charter*, the fine amount in Column 3 of Section 12.8 to this Bylaw is the fine amount that corresponds to the words or expression and section number set out in Columns 1 and 2 opposite the fine amount.
- 12.7 Council hereby delegates the authority to refer any disputed tickets to the Provincial Court to Bylaw Enforcement Officers and the Authorized Person.

12.8 Fine Schedule

Column 1	Column 2	Column 3
