UHNBC PRINCE GEORGE TRADITIONAL DRUMMERS' WEEK

- Whereas:* the sound of the drum represents the heartbeat of Mother Earth and lifts up the spirits of those who hear it; and
- Whereas:* love and connection is at the center of the drum circle, bringing healing from the ceremony and tradition of its origins; and
- Whereas:* the UHNBC Prince George Traditional Drummers have contributed to our community in the best way they know how, drumming for over 4 years at our local healthcare facility to show support for frontline workers; and
- Whereas:* this traditional drumming circle have sustained a positive impact in Prince George during the COVID-19 pandemic through their drumming and singing traditional songs of healing, hope, and honor for indigenous culture.

Now therefore, as Mayor of the City of Prince George,
I proclaim **March 18-25, 2024** as:
"UHNBC PRINCE GEORGE TRADITIONAL DRUMMERS WEEK"
in the City of Prince George.
