

Local Area Service

Expression of Interest

A Local Area Service (LAS) is a neighbourhood improvement project paid for by the owners of the benefiting properties. Typical improvements can include curb and gutters, sidewalks, streetlights, water mains, storm sewers or sanitary sewers.

This expression of interest is non-binding and is meant only to show a neighbourhood's desire for an LAS. To explore a potential LAS project, interest from the majority of benefiting properties is desirable.

We, the undersigned property owners wish to express interest in a LAS for the following:

Name	Address	Signature	In favour to continue to formal petition (yes/no)
