Generally, these priorities are relied upon to schedule tournaments/special events, Community Associations, and youth programming over adult bookings during peak hours to support the City's commitment to facilitate recreation and quality of life in our community.

Parks & Shared Use Closures

An annual rest and maintenance program may be scheduled to maintain Sport Field and turf sustainability generally from Sept. 30th – April 30th. Discipline may range from verbal to written warnings to cost of repair and loss of sport field use. It is understood several discipline measures can be used in combination and discipline measures will generally be progressive in nature.

Generally, discipline follows steps 1 – 3:

Step 1: First Offence – Verbal warning /discussion with individual/group to be followed up with written documentation that a second offence will result with being placed on probation.

Step 2: Second Offence – Written documentation indicating because of the second breach they are now placed on probation.
