

Date: January 28, 2026

To: **Mayor and Council.**

Name and title: Kris Dalio, Director of Finance and IT Services, and  
Ethan Anderson, Corporate Officer/Manager of Legislative Services

Subject: 2026 Loan Authorization, Equipment Financing Bylaw and Approval of the  
Electors' Options

Attachment(s): Appendix A – Proposed Elector Response Form for Bylaw No. 9607, 9608,  
9609, 9610 & 9611

## Recommendation(s):

THAT Council:

1. GIVES FIRST THREE READINGS of “City of Prince George Equipment Financing Bylaw No. 9607, 2026”.
2. AUTHORIZES an alternative approval process in accordance with section 86 of the *Community Charter* be used for the purpose of seeking approval of the electors in relation to “City of Prince George Equipment Financing Bylaw No. 9607, 2026”.
3. AUTHORIZES Elector Response Form for “City of Prince George Equipment Financing Bylaw No. 9607, 2026”, as attached to report dated January 28, 2026, titled “2026 Loan Authorization, Equipment Financing Bylaw and Approval of the Electors’ Options.”
4. GIVES FIRST THREE READINGS of “Stormwater System Renewal Loan Authorization Bylaw No. 9608, 2026”.
5. AUTHORIZES, subject to obtaining statutory approval from the Inspector of Municipalities for “Stormwater System Renewal Loan Authorization Bylaw No. 9608, 2026”, an alternative approval process in accordance with section 86 of the *Community Charter* be used for the purpose of seeking approval of the electors in relation to “Stormwater System Renewal Loan Authorization Bylaw No. 9608, 2026”.
6. AUTHORIZES Elector Response Form for “Stormwater System Renewal Loan Authorization Bylaw No. 9608, 2026”, as attached to report dated January 28, 2026, titled “2026 Loan Authorization, Equipment Financing Bylaw and Approval of the Electors’ Options.”
7. GIVES FIRST THREE READINGS of “CN Centre Building Envelope Renewal Loan Authorization Bylaw No. 9609, 2026”.
8. AUTHORIZES, subject to obtaining statutory approval from the Inspector of Municipalities for “CN Centre Building Envelope Renewal Loan Authorization Bylaw No. 9609, 2026”, an

alternative approval process in accordance with section 86 of the *Community Charter* be used for the purpose of seeking approval of the electors in relation to “CN Centre Building Envelope Renewal Loan Authorization Bylaw No. 9609, 2026”.

9. AUTHORIZES Elector Response Form for “CN Centre Building Envelope Renewal Loan Authorization Bylaw No. 9609, 2026”. as attached to report dated January 28, 2026. titled “2026 Loan Authorization, Equipment Financing Bylaw and Approval of the Electors’ Options.”
10. GIVES FIRST THREE READINGS of “Memorial Park Cemetery Expansion Loan Authorization Bylaw No. 9610, 2026”.
11. AUTHORIZES. subject to obtaining statutory approval from the Inspector of Municipalities for “Memorial Park Cemetery Expansion Loan Authorization Bylaw No. 9610, 2026”, an alternative approval process in accordance with section 86 of the *Community Charter* be used for the purpose of seeking approval of the electors in relation to “Memorial Park Cemetery Expansion Loan Authorization Bylaw No. 9610, 2026”.
12. AUTHORIZES Elector Response Form for “Memorial Park Cemetery Expansion Loan Authorization Bylaw No. 9610, 2026”, as attached to report dated January 28, 2026, titled “2026 Loan Authorization, Equipment Financing Bylaw and Approval of the Electors’ Options.”
13. GIVES FIRST THREE READINGS of “Civic Facilities Roof Replacements Loan Authorization Bylaw No. 9611, 2026”.
14. AUTHORIZES, subject to obtaining statutory approval from the Inspector of Municipalities for “Civic Facilities Roof Replacements Loan Authorization Bylaw No. 9611, 2026”, an alternative approval process in accordance with section 86 of the *Community Charter* be used for the purpose of seeking approval of the electors in relation to “Civic Facilities Roof Replacements Loan Authorization Bylaw No. 9611, 2026”.
15. AUTHORIZES Elector Response Form for “Civic Facilities Roof Replacements Loan Authorization Bylaw No. 9611, 2026”, as attached to report dated January 28, 2026, titled “2026 Loan Authorization, Equipment Financing Bylaw and Approval of the Electors’ Options.”
16. ESTABLISHES the deadline of 5:00 p.m. on June 2, 2026 for receiving Elector Response Forms for the alternative approval processes for Bylaws 9607, 9608, 9609, 9610, and 9611, 2026.
17. APPROVES the determination of the total number of electors of the area to which the five (5) alternative approval processes apply for Bylaws 9607, 9608, 9609, 9610 and 9611, 2026 as 57,667 electors, on the basis described in the report dated January 28, 2026 from the Director Finance and IT Services and Manager of Legislative Services titled “2026 Loan Authorization, Equipment Financing Bylaw and Approval of the Electors’ Options.”
18. DIRECTS the Corporate Officer to report the results of the five (5) alternative approval processes for Bylaws 9607, 9608, 9609, 9610 and 9611, 2026 and if approval of the electors has been obtained, to return Bylaws 9607, 9608, 9609, 9610 and 9611, 2026 for Council’s consideration of final reading and adoption.

**Purpose:**

At the January 28, 2026 regular Council Budget meeting, Council approved capital projects in the Five Year (2026 – 2030) Capital Financial Plan with the funding source designated as “MFA Debt Proceeds” and “MFA Lease Proceeds”. The purpose of this report is to request Council to grant first three readings to Bylaws 9607, 9608, 9609, 9610 and 9611, 2026 for the required borrowing bylaw associated with those capital projects requiring Municipal Finance Authority (“MFA”) debt and lease funding. Further the report seeks to obtain Council’s approval for using the alternative approval process to obtain approval of the electors for the bylaws.

**Policy/Regulatory Analysis:**

The MFA has established an equipment financing program that is available to municipalities under section 175 of the *Community Charter*, and Bylaw No. 9607 contemplates the City entering into equipment financing agreements with the MFA under that program. Statutory approval from the Inspector of Municipalities is not required for Bylaw No. 9607. However, because the proposed loan agreements with the MFA are for terms of more than five (5) years, Bylaw No. 9607 does require approval of the electors after first three readings. After obtaining approval of the electors, Council may consider final reading and adoption of Bylaw No. 9607.

There is a slightly different process for Bylaws 9608, 9609, 9610 and 9611. Section 180 of the *Community Charter* provides that after giving first three readings to loan authorization bylaws for long term borrowing (loan terms that exceed five (5) years), Council may not proceed with adoption of Bylaws 9608, 9609, 9610 and 9611 without first obtaining statutory approval from the Inspector of Municipalities, and without also obtaining approval of the electors.

The two options for seeking approval of the electors for each of the loan authorization bylaws and the equipment financing bylaw, and the process for each option, are described below.

**Strategic Priorities:**

Debt and lease financing of the City’s capital program supports Council’s priorities of Sustainable Infrastructure, Sustainable Fiscal Management and Organizational Excellence.

**Financial Considerations:**

All of the loan authorization bylaws referenced in this report will incur annual debt servicing costs to the General Operating Fund. These figures are compiled below:

Bylaw No.	Project Name	Cost of Project	Annual Debt Servicing Costs
9607	Equipment Financing Bylaw	4,086,000	484,967
9608	Stormwater System Renewal	2,500,000	205,699
9609	CN Centre Building Envelope Renewal	15,860,000	1,304,957
9610	Memorial Park Cemetery Expansion	5,150,000	423,741
9611	Civic Facilities Roof Replacements	2,450,000	201,585
<b>TOTAL</b>		<b>\$30,046,000</b>	<b>2,620,949</b>

In terms of tax levy implications, annual debt servicing costs of \$2,620,949 would result in approximately 1.66% of future tax levy increases. The timing of when these costs would impact the levy depends on when the work is completed and the funds are borrowed, but it is expected that these costs will impact the 2027 and 2028 tax year levies.

## **Project Descriptions:**

### **City of Prince George Equipment Financing Bylaw No. 9607, 2026**

The annual replacement and addition of vehicles and capital equipment are financed through the MFA Equipment Financing Program. Through these loan agreements, the City retains ownership of the asset and is charged a low variable interest rate with fixed payment schedules. The MFA Equipment Financing Program has no fees to set up or discharge leases, no taxes on payments, and no penalties or fees for paying out early or making extra principal payments. All loan agreements will be for a term no longer than fifteen (15) years to match the expected service life of the new mobile equipment.

The approved projects from the 2026 – 2030 Capital Plan that will be part of the Equipment Financing Program request include:

- #0431 – Mobile Equipment Replacement - \$3,405,000
- #3465 – Self Contained Breathing Apparatus (SCBA) Replacement - \$60,000
- #3477 – CN Centre Zamboni Ice Resurfacer New - \$250,000
- #3499 – 18<sup>th</sup> Ave City Yard Overhead Crane Replacement - \$282,000
- #3501 – Library Mechanical Room Hoist Replacement - \$89,000

The total amount for this Bylaw is \$4,086,000.

### **Stormwater System Renewal Loan Authorization Bylaw No. 9608, 2026**

Project #3321 is for the annual stormwater system renewal program and includes activities that return the service capability of an asset up to that which it had originally provided, this includes relining, full replacement of existing assets and disposal of old assets, lowering of operating costs, and bringing an asset up to current code/standards. The renewal program will include, but not limited to, stormwater green infrastructure, ponds, outfalls, storm mains, culverts, armoring, recharge chambers, catch basins, manholes, service connections, flood pumps, oil grit separators, ditch renewal, electrical, SCADA, communications, property acquisitions and necessary encumbrances. Renewing the stormwater system is essential to prevent flooding, erosion, sedimentation/degradation of water quality and negative impact on aquatic life.

The Loan Authorization Bylaw is for \$2,500,000.

### **CN Center Building Envelope Renewal Loan Authorization Bylaw No. 9609, 2026**

Project #3459 is for the repair of exterior walls to stop water infiltration (new flashings and sills at windows and columns). This project is to renew a major component of the aging asset to extend the life of the building and include opportunities for energy efficiencies that consider lifecycle costs. The lifecycle for this project is expected to be 25 years for windows and doors and 50 for metal siding/roofing.

The Loan Authorization Bylaw is for \$15,860,000.

### **Memorial Park Cemetery Expansion Loan Authorization Bylaw No. 9610, 2026**

Project #3487 is for the existing developed area of the municipal cemetery which is now nearing capacity, with an estimated 5 to 7 years of available grave space remaining. This multi-year project will focus on the design and development of the northwest corner of the property, located at the intersection of Ferry Avenue and Highway 16. The planned design will include additional burial plots, construction of internal roadways, pedestrian pathways, lighting, and the extension of necessary utility services. This expansion is essential to ensure the continued availability of burial services for the community in the coming decades. A phased approach will be implemented, with public consultation & detailed design work scheduled for 2026 and construction anticipated to begin in 2027. This proactive planning will ensure that the City remains ahead of the community's burial service needs.

The Loan Authorization Bylaw is for \$5,150,000.

### **Civic Facilities Roof Replacements Loan Authorization Bylaw No. 9611, 2026**

Project #3503 focuses on the replacement of roofs at various civic facilities. The City owns over 50 civic facilities with roofs which largely consist of flat roofs with an estimated service life of around 15 years. The 2026 program will see the replacement of 3 roofs, and associated roof accessories where required, which total over 29,950 square feet of roofing area in poor or very poor condition. The roofs are located at the Connaught Youth Centre, Kin Atrium and Kin 3 Dressing Room.

The Loan Authorization Bylaw is for \$2,450,000.

#### **Debt Servicing Costs:**

BC municipalities' financial liabilities (e.g., under leases, partnering, and long-term debt agreements) are subject to liability servicing limits. They also require elector approval if they are:

- a loan guarantee or are of a capital nature; and
- the agreement is for more than five (5) years; or
- the agreement could be for more than five (5) years if an extension were exercised.

A municipality cannot incur a liability that extends beyond the current year if it would cause the municipality's total annual cost of servicing (e.g., lease payments, partnering payments (if they're of a capital nature), long-term debt principal and interest payments) to exceed the regulated amount. The regulated amount is currently based on 25% of a municipality's controllable revenues such as:

- property taxes - a deduction is made to revenue received from Major Industry tax revenues for municipalities which are heavily dependent on that class;
- payments in lieu of taxes;
- user fees; and
- unconditional grants.

A municipality may only exceed its liability servicing limit with the prior approval of the Inspector of Municipalities in consultation with the MFA. The City relies on debt financing for new infrastructure and for major repair of existing infrastructure. The City also enters into financing agreements for the

purchase of mobile equipment. The following table provides the debt capacity and available capacity as determined by the Municipal Liabilities Regulation. 2025 figures are not available at this time.

Year	Municipal Controllable Revenue	Liability Servicing Limit	Payment Capacity Available	Approximate Principal Borrowing Available
2020	\$171,514,757	\$42,878,689	\$15,422,526	\$194,975,044
2021	\$178,208,247	\$44,552,062	\$24,965,473	\$289,622,657
2022	\$188,567,032	\$47,141,758	\$34,110,515	\$379,005,722
2023	\$209,889,114	\$52,472,279	\$38,327,316	\$425,859,067
2024	\$221,855,438	\$55,463,860	\$38,623,214	\$429,146,822

The total amount of all approved loan authorization bylaws are included in the liability servicing limit regardless of whether the funds have actually been borrowed.

### Other Considerations:

#### Overview of Approval of the Electors

Long-term borrowing by local governments (i.e., loans with a term of more than five (5) years) cannot be undertaken without the loan authorization bylaw being approved by the Inspector of Municipalities after the bylaw is given first three readings by the local government. In addition, “approval of the electors” is then required before Council may consider adopting the long-term loan authorization bylaw.

The Province provides a legislative framework for local governments that recognizes that elected officials are democratically elected, autonomous, responsible, and accountable. The Province recognizes that elected officials are in the strongest position to weigh the needs of their municipality and to make informed decisions for the benefit of their electors. Accordingly, under the *Community Charter*, the Province has provided the option for local governments to seek approval of the electors for long-term loan authorization bylaws in one of two ways:

- (a) by holding a referendum to obtain “assent of the electors”; or
- (b) by holding an alternative approval process.

A summary of both the assent of the electors (referendum) process, and the alternative approval process is provided below.

#### (a) Assent of the Electors through the Referendum Process

Assent of the electors is obtained through a referendum, also known by other terms such as an assent vote or plebiscite. A referendum is a voting process that is governed by the *Local Government Act* and is similar in many ways to the process for conducting a general local election.

To conduct a referendum, Council must appoint a Chief Election Officer and Deputy Chief Election Officer who are responsible for the administration and conduct of the referendum. The Chief Election Officer then sets the general voting day for the referendum, which must be a Saturday within 80 days of the loan authorization bylaw receiving third reading and receiving approval from the Inspector of Municipalities (if required). In addition, at least two (2) advance voting opportunities must be held – one on the 10<sup>th</sup> day before general voting day, and one on the 4<sup>th</sup> day before general

voting day. Special voting opportunities (e.g., at long term care facilities) and mail ballot voting processes would also be organized at the Chief Election Officer discretion.

The ballot for a referendum must be in the form of a question put to the electors that is phrased in a manner such that it may be answered by marking either “yes” or “no”. Council must approve of the wording of the question to be printed on the ballot. Wording would typically begin with “Do you approve Council for the City of Prince George adopting Bylaw No. xxxx, which will authorize Council to borrow ...”

A loan authorization bylaw is deemed to have received the assent of the electors if a majority of the votes counted are in favour of the question (i.e., if a majority of voters answer “yes”). If a majority of the votes counted are opposed to the question (i.e., if a majority of voters answer “no”), then a bylaw for the same purpose may not be submitted to the electors for approval within a period of six (6) months, except with the Province’s approval.

In order to estimate the cost of conducting a referendum, it may be useful to refer to the cost of conducting the 2017 referendum for the Fire Hall #1 and Four Season Leisure Pool replacement loan authorization bylaws. The cost of holding that referendum was approximately \$91,000. Based on inflation calculators, a standalone referendum would equate to a roughly \$115,000 cost in 2026. Since City staff would be responsible to conduct the referendum, it would mean those resources would be diverted during the referendum process, and existing projects would be re-prioritized. Staff would need to begin planning and organizing a referendum promptly after Council’s decision to proceed, given the legislative time frame to hold a referendum. If Council directs that assent of the electors for this loan authorization bylaw be obtained through a referendum, then Administration will return a report to Council setting out the next steps and further resolutions required from Council to undertake that process.

**Administration is recommending the alternative approval process outlined below as the preferred method to seek elector assent rather than elector approval through an assent voting process (referendum). Statutory approval from the Inspector of Municipalities is not required for proposed Bylaw No. 9607.**

**(b) Approval of the Electors through the Alternative Approval Process**

The alternative to holding a referendum is the alternative approval process, which is governed by the *Community Charter* requirements. Local governments have been able to use the alternative approval process for quite some time. The process was previously known as the “counter petition method.”

The alternative approval process involves publication of a notice in accordance with section 94 of the *Community Charter*. The City of Prince George has adopted *City of Prince George Public Notice Bylaw No. 9329, 2022* as its bylaw permitting publication of notice by alternative means which includes publishing to the City’s Public Notice Posting Place, Public Notice Page on the City’s website, and Facebook Page. Administration may also publish additional public notice in a newspaper, in accordance with the Bylaw.

As part of the alternative approval process, Council must make a fair determination of the total number of electors within the City. Typically, the calculation of the number of electors in the City is based on information provided by Elections BC, a non-partisan independent public agency that maintains a current list of registered voters. More information on this determination is included below. Electors would then be given the opportunity to indicate they are opposed to Council proceeding with adoption of a loan authorization bylaw by signing and submitting an Elector Response Form, the wording of which must be approved by Council.

Council must set a deadline for Elector Response Forms to be submitted. The deadline must be at least thirty (30) days after the publication of the notice by the City's second of two alternative means noted in the "City of Prince George Public Notice Bylaw No. 9329, 2022." If an elector is in favour of Council adopting the loan authorization bylaw, then they would not have to do anything. If an elector is opposed to the bylaw, or they do not want Council to proceed to adopt the bylaw without a referendum being held, then they must express that opinion to the City by signing and submitting an Elector Response Form by the deadline.

The Corporate Officer is responsible for determining and certifying the results of the alternative approval process. If 10% or more of the total number of electors within the City submit valid Elector Response Forms by the deadline, then Council may not proceed with adoption of the bylaw unless approval of the electors is obtained through the "assent of the electors" process described above. In other words, a referendum would then be required to be held on the matter in order for Council to proceed to adopt the bylaw.

### **Alternative Approval Process Considerations**

The alternative approval process allows an extended period for the opinion of the electors to be expressed (at least 30 days).

The cost of holding an alternative approval process amounts to the cost of printing Elector Response Forms which is dependent on the number of forms requested by electors. More significantly, the staff resources needed to administer the alternative approval process are minimal in comparison to the considerable staff resources required to conduct a referendum.

The time period to hold an alternative approval process is approximately eight (8) weeks from the date that the notice is published up to the date that the results of the process are certified by the Corporate Officer and reported to Council.

### **REPORT FOR DETERMINATION OF TOTAL NUMBER OF ELECTORS WITHIN THE CITY:**

As outlined above, section 86 of the *Community Charter* requires that Council make a fair determination of the total number of electors in the City. The purpose of this part of the report is to show the basis for determining the total number of electors in relation to the alternative approval processes proposed for Bylaws 9607, 9608, 9609, 9610 and 9611.

To be consistent with past practice, it is recommended that the calculation of the number of electors in the City be based on information provided by Elections BC, a non-partisan independent public agency that maintains an up-to-date list of registered electors. According to Elections BC, the total number of registered voters within the City of Prince George as of January 21, 2026 is 57,667.

Administration therefore recommends that Council approve the determination of the total number of electors for the purposes of the alternative approval process for Bylaws No. 9607, 9608, 9609, 9610 and 9611 to be 57,667. Approval of the electors for this Bylaw would be obtained if the number of Elector Response Forms received by the deadline is less than 5,767 (10% of 57,667).

Administration recommends the following schedule regarding the alternative approval processes for proposed Bylaw 9607, 9608, 9609, 9610 and 9611:

Date	Activity
Friday, April 28, 2026 (subject to change)	Publication of the Notice in accordance with “City of Prince George Public Notice Bylaw No. 9329, 2022”
5:00 p.m. on Tuesday, June 2, 2026	Deadline for Submitting Elector Response Forms
Monday, June 8, 2026	Corporate Officer reports results of Alternative Approval Process at Regular Council Meeting

**Summary and conclusion:**

If Council wishes to proceed with the debt financed projects detailed in this report, then it would be in order for Council to pass the recommendations set out above. Administration is recommending the alternative approval process as the preferred method to seek elector assent.

**Respectfully submitted:**

Kris Dalio, Director of Finance and IT Services

Ethan Anderson, Manager of Legislative Services/Corporate Officer

**Approved:**

Walter Babicz, City Manager

**ELECTOR RESPONSE FORM – ALTERNATIVE APPROVAL PROCESS**

**CITY OF PRINCE GEORGE EQUIPMENT FINANCING BYLAW NO. 9607, 2026**

By completing this form, I oppose the City Council’s intention to adopt **City of Prince George Equipment Financing Bylaw No. 9607, 2026**, which allows borrowing up to \$4,086,000 to be repaid over no longer than 15 years for the **Equipment Financing Program**, unless a referendum vote is held.

**Elector Information**

**Full name of elector:** \_\_\_\_\_  
(Please print)

**Signature of elector:** \_\_\_\_\_

**Residential Address of elector:** \_\_\_\_\_  
(Include postal code)

- Choose one:  I am a resident elector (**see eligibility requirements on page 2**)  
 I am a non-resident property elector who owns property in the City of Prince George located at:

\_\_\_\_\_  
(Address of Property, including postal code)

**Deadline: submit this form by 5:00 p.m. on Tuesday, June 2, 2026. Ensure that both pages (1 and 2) are included.**

**Submission Options:**

- Mail/Deliver: Corporate Officer, City of Prince George, 5<sup>th</sup> Floor – 1100 Patricia Blvd., Prince George, BC V2L
- Fax: 250-561-0183
- Email: [cityclerk@princegeorge.ca](mailto:cityclerk@princegeorge.ca) (PDF attachment)

**It is the responsibility of the elector to verify that the fax or email transmission was received successfully.**

**More Information**

Council may proceed with the Equipment Financing Loan unless 5,767 electors submit completed forms by the deadline. A person may not sign more than one elector response form in relation to this alternative approval process.

**Project Summary**

The Equipment Financing Program allows for the annual replacement and addition of vehicles and capital equipment. Bylaw No. 9607 includes the following capital projects:

- #0431 – Mobile Equipment Replacement - \$3,405,000
- #3465 – Self Contained Breathing Apparatus (SCBA) Replacement - \$60,000
- #3477 – CN Centre Zamboni Ice Resurfacer New - \$250,000
- #3499 – 18<sup>th</sup> Ave City Yard Overhead Crane Replacement - \$282,000
- #3501 – Library Mechanical Room Hoist Replacement - \$89,000

**ELECTOR RESPONSE FORM – ALTERNATIVE APPROVAL PROCESS  
CITY OF PRINCE GEORGE EQUIPMENT FINANCING BYLAW NO. 9607, 2026**

**Elector Eligibility**

To sign this form, you must be a resident elector or non-resident property elector, not both.

- **Resident Elector:**
  - Currently reside in the City of Prince George.
  - Canadian citizen;
  - 18 years of age or older; and
  - Have lived in British Columbia for the last six months.
  
- **Non-resident Property Elector:**
  - Do not currently live in the City of Prince George **AND** have owned property in the City of Prince George for at least 30 days;
  - Canadian citizen;
  - 18 years of age or older; and
  - Have lived in British Columbia for the last six months.

If a property is owned by more than one individual, only one of them may sign an elector response form. If a property is owned by more than one individual, then the person signing this elector response form declares that they have received the written consent of the majority of the property owners to sign and submit this elector response form. No individual is eligible to sign this elector response form in relation to property owned through or in conjunction with a corporation.

For more information on elector qualifications, please see the Voter's Guide, available from the Ministry of Housing and Municipal Affairs or its website at:

More Information

Council may proceed with the Stormwater System Renewal Loan Authorization Bylaw unless 5,767 electors submit completed forms by the deadline. A person may not sign more than one elector response form in relation to this alternative approval process.

Project Summary

**Project #3321** is part of the annual stormwater system renewal program that includes activities that return the service capability of an asset up to that which it had originally provided, this includes relining, full replacement of existing assets and disposal of old assets, lowering of operating costs, and bringing an asset up to current code/standards. The renewal program will include, but not limited to, stormwater green infrastructure, ponds, outfalls, storm mains, culverts, armoring, recharge chambers, catch basins, manholes, service connections, flood pumps, oil grit separators, ditch renewal, electrical, SCADA, communications, property acquisitions and necessary encumbrances. Renewing the stormwater system is essential to prevent flooding, erosion, sedimentation/degradation of water quality and negative impact on aquatic life.

**ELECTOR RESPONSE FORM – ALTERNATIVE APPROVAL PROCESS****STORMWATER SYSTEM RENEWAL LOAN AUTHORIZATION BYLAW NO. 9608, 2026**Elector Eligibility

To sign this form, you must be a resident elector or non-resident property elector, not both.

- **Resident Elector:**
  - Currently reside in the City of Prince George.
  - Canadian citizen;
  - 18 years of age or older; and
  - Have lived in British Columbia for the last six months.
  
- **Non-resident Property Elector:**
  - Do not currently live in the City of Prince George **AND** have owned property in the City of Prince George for at least 30 days;
  - Canadian citizen;
  - 18 years of age or older; and
  - Have lived in British Columbia for the last six months.

If a property is owned by more than one individual, only one of them may sign an elector response form. If a property is owned by more than one individual, then the person signing this elector response form declares that they have received the written consent of the majority of the property owners to sign and submit this elector response form. No individual is eligible to sign this elector response form in relation to property owned through or in conjunction with a corporation.

For more information on elector qualifications, please see the Voter's Guide, available from the Ministry of Housing and Municipal Affairs or its website at:

More Information

Council may proceed with the Memorial Park Cemetery Expansion Loan Authorization Bylaw unless 5,767 electors submit completed forms by the deadline. A person may not sign more than one elector response form in relation to this alternative approval process.

Project Summary

As the existing developed area of the municipal cemetery is now nearing capacity, with an estimated 5 to 7 years of available grave space remaining, **Project #3487** is a multi-year project that will focus on the design and development of the northwest corner of the municipal cemetery, located at the intersection of Ferry Avenue and Highway 16. The planned design will include additional burial plots, construction of internal roadways, pedestrian pathways, lighting, and the extension of necessary utility services. This expansion is essential to ensure the continued availability of burial services for the community in the coming decades. A phased approach will be implemented, with public consultation & detailed design work scheduled for 2026 and construction anticipated to begin in 2027. This proactive planning will ensure that the City remains ahead of the community’s burial service needs.

More Information

Council may proceed with the Civic Facilities Roof Replacements Loan Authorization Bylaw unless 5,767 electors submit completed forms by the deadline. A person may not sign more than one elector response form in relation to this alternative approval process.

Project Summary

**Project #3503** focuses on the replacement of roofs at various civic facilities. The City owns over 50 civic facilities with roofs which largely consist of flat roofs with an estimated service life of around 15 years. The 2026 program will see the replacement of 3 roofs, and associated roof accessories where required, which total over 29,950 square feet of roofing area in poor or very poor condition. The roofs are located at the Connaught Youth Centre, Kin Atrium and Kin 3 Dressing Room
